

Transportation

Getting to and from Delta

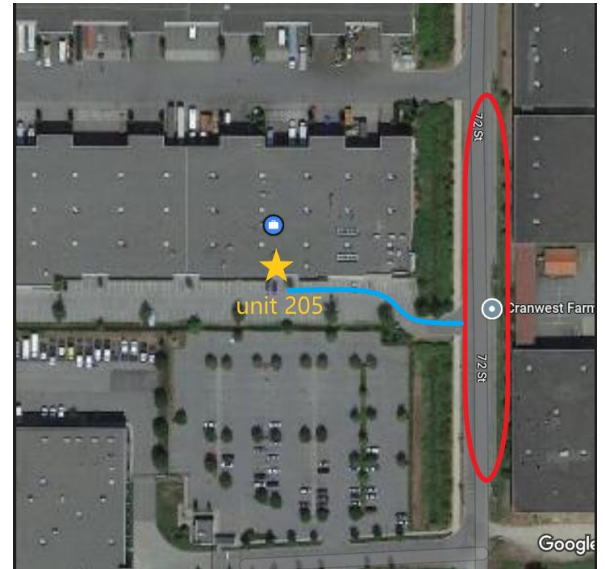

The transportation options in the great Vancouver area include taxi, ride-share (Eg. Uber, Lyft, etc.), car rentals, and public transportation (Translink).

Visit <http://www.yvr.ca/guide/toandfrom/> for a comprehensive guide on getting to and from YVR airport.

Visit <http://www.translink.bc.ca> for routing guides and fare details involving public transit.

If commuting from Richmond, or anywhere else north of the Fraser River, please allow for an extra 30-45 minutes of travel time during rush hour as the George Massey Tunnel may cause heavy delays.

If arriving by car: please park on 72nd street as indicated in red in the image to the right. Visitor parking is not available in the Jordair parking lot.
