The purpose of each JORDAIR high-pressure training course is to provide a basic understanding of the workings and the service techniques of a JORDAIR compressor system.

A deposit of \$200.00 per student is required for seat reservation, as the course tends to fill up quickly. The deposit is non-refundable and is credited towards the overall course fees. The deposit can be paid either by credit cards (Visa/MasterCard) or a cheque made payable to JORDAIR Compressors Inc. Once the deposit is received along with the completed application form, a confirmation letter will be issued.

All class fees are non-refundable. If a cancellation is received at least (30) days prior to the scheduled class date, applicant will be given credit to attend a future class date (subject to availability). If cancellation is received less than (30) days prior to the scheduled class, applicant will forfeit their deposit of \$200.00.

The remaining balance is invoiced and must be paid prior to the start of the course. If your company has an account with JORDAIR, the remainder balance will be billed on Net 30 day terms.

Please feel free to contact the school coordinator for any further information.
